Back-to-school Fashion

by: GabrielaItaly

OK iTwixie Peeps! I'm GabrielaItaly & In this iTwixie Chronicle I'll be telling about Back-To-School Fashion. First, I think that if you want a nice & Preppy school uniform that isn't ugly, you should try Justice's Uniforms that are school approved. Second, maybe you don't like that idea because you think of school as a fashion show. If you do, you should wear Justice, Juicy Couture or Guess Kids. Third, if you just want a Casual look try Abercrombie & Aro-postale. For Jewelry try Tween Claire's. You could always come back with a bff necklace or a charm necklace.

Thanks

SUMMER

a poem by: Thunderkit

Summer is here!
Underneath, we are all excited.
Maybe even sweltering.
More time to play!
Even go to the beach.
Rain is the least of our worries.
Thanks! :)

Bullying

by: Mistydapup

Many kids still continued to get bullied. Why, you ask? Because we aren't doing anything for it. All we do is write articles about how many kids have been bullied. We have to do something about it. So next time you see someone getting bullied, don't just stand there, go up to them and say hey, pick on someone your own size. If bullies pick on little kids, it sets a bad example for them and eventually they turn into bullies. A lot of iTwixie girls have been writing blogs to help stop bullying, such as:

The girl you just called fat? She has been starving herself and has lost over 12 pounds!

The boy you just tripped? He is abused enough at home.

Calling me fat won't make you thin, calling me ugly won't make you beautiful.

Calling me small won't make you big. Calling me weak won't make you strong.

Calling me guilty won't make you innocent. So why bother? All these insults you make are only hurting yourself!

If only bystanders would do something instead of just standing there and staring.

Kids, don't be afraid to tell your parents and the world what's going on.

BULLYING IS AN ISSUE THAT MUST BE STOPPED!

"Stop Bullying"

by: ABBYROCKS

Do you really want to start the new school year off being mean?? Do you really like to hurt people's feelings? How would U feel if you were the new girl and on the first day of school you got bullied just because you were new! How would U feel?? Not good right?? So stop it.... stop it RIGHT NOW! Quit trying to make yourself feel better just by TEARING SOMEONE ELSE DOWN! Its NOT RIGHT!! and... for the people who witness bullying... U should stand up to the bully instead of laughing along with her (or him)... If the bystanders stand up to bullies there would be a LOT LESS BULLYING IN AMERICA!! Now lets start this school year being nice to your friends!!! START YOUR NEW SCHOOL YEAR OFF RIGHT!!!
